### Breaking Weather

#### Light snow lingers

After picking up a foot and a half of lake-effect snow, portions of central New York will mercifully see the snow ending.

### Duke clinches fourth straight ACC crown

Mike Krzyzewski coaches by feel, and by all accounts this one felt pretty good. No. 2 Duke surprised everyone but itself by winning its fourth straight Atlantic Coast Conference regular-season title with a title-clinching 96-78 victory over Wake Forest Tuesday night. Shane Battier netted 34 in the win.

### Study: More Kids On Prescribed Drugs

The number of 2- to 4-year-olds taking psychiatric drugs like Ritalin and Prozac soared 50 percent between 1991 and 1995, according to a study experts said reveals a troubling trend. Doctors said the effects of such drugs are largely unknown in children so young and worry the drugs could affect the development of young minds.

## News update...

### Protesters return to Quebec youth summit

Police made more arrests on Wednesday morning as another 200 protesters returned to the youth summit in Quebec City. Some of the protesters had to be dragged from the building where the summit is being held. There were several arrests. But so far, there has been no repeat of Tuesday night's violence.
